## PHOTOGRAPHIC SHOOT - INFORMATION

We will be happy to arrange an appointment to see you in our studio at King Cross, Halifax or in your own home at a mutually convenient time to discuss your photographic needs.

**Please Note;** anyone under the age of 21yrs must provide proof of age and identity and all under the age of 18yrs must be accompanied by a parent or guardian at the time of appointment and photo shoot.

On the day of your appointment we can show you portfolios relevant to your requirements that may be of help to you in developing the idea's you have in mind for your images.

There are many image techniques, colours and composition that can help to create a truly memorable occasion encapsulated for all time.

And there's no obligation to book or purchase at this time it is purely a meeting to discuss the possibilities of what can be created for the most memorable images.

However prices do have to be discussed and experience has shown that is usually best after you have seen the portfolios and discussed the possible imagery. Once your chosen photographic imagery and techniques have been decided upon, we can agree a price accordingly and in line with your budget.

If you don't want to decide right away that's not a problem, we will leave you our card to contact us again at your convenience.

We hope this has been helpful to you and thank you for taking the time to read our Photographic Shoot information.

Best Wishes ... *Steve*
